

JAMIE JONES

Senior Designer, Design Systems & Agentic Design-to-Code — Interactive Strategies
prev. Director of UX/UI, Bytelion · Creative Director, TruBlu Politics

📍 Denver, CO 🖱️ jjux.dev ✉️ hello@jjux.dev in jamiejones-ux

Ads, Apps, Websites, Design Systems, Agentic Workflows, it's all UX to me.

01 EXPERIENCE

Interactive Strategies

2015 – PRESENT · REMOTE

Senior Designer, UI/UX/Motion · Design System Product Owner

Designed websites, apps, campaigns and interactive experiences for well-known national organizations and brands such as ALPA, American Lung Association, American Kidney Fund, Special Olympics and USO. Design Lead for the Boulder Crest Foundation website (Webby Honoree, 2024) and the Action Against Hunger website (W3 Gold, 2023). Product owner of our design system and lead on our agentic design-to-front-end workflow.

Bytelion

2014 – 2015 · BALTIMORE, MD

Director of UX/UI

Led UI/UX and wrote front-end code for web and mobile apps. Managed projects with startup founders building apps and MVPs on tight deadlines and budgets.

Consulting & Freelance

2012 – 2014

Designer & Front-End Developer

Designed and developed for a range of clients and agencies including Ketchum, APCO Worldwide and Home Front Communications.

TruBlu Politics & Tapper Communications Group

2010 – 2012 · COLUMBIA, MD

Creative Director

Led a team of designers, web developers and photographers. Ran projects directly with clients from kickoff to delivery.
